

# Everbridge™ for Hospitality

## Elevate your Property with Everbridge 360

From housekeeping and front desk teams to shuttle drivers and security staff, hospitality workers face unique risks every day. That's why hotels nationwide are turning to the **Everbridge 360** platform—a powerful, all-in-one solution built to protect guests and empower staff.

### Key Benefits of Everbridge 360 for Hospitality:

- **Instant Panic Alerts:** Equip employees with discreet panic buttons—wearable, desktop, and mobile app—that silently trigger alerts and transmit real-time location data to designated staff, on-site security/response team with optional 24/7 monitoring.
- **Real-Time Location Tracking + Staff Finder:** Customizable alerts help you address a wide range of incidents, including active shooters, severe weather, suspicious activity, medical emergencies, and more—with precision location tracking and dynamic staff coordination.
- **Drill Management & Compliance Tools:** Run emergency drills, assign SOPs, store ERP checklists, and ensure compliance with local regulations. Everbridge's centralized platform streamlines training, documentation, and preparedness across your entire property.
- **Seamless Communication Across All Teams:** From the concierge desk to engineering and maintenance, Everbridge connects your entire team with two-way communication, targeted alerts, and property-wide notifications—integrated with your existing IP phones, displays, and devices.

Whether you're managing a boutique hotel or a large resort, Everbridge provides the smart safety infrastructure your team needs to **respond quickly, stay connected, and operate with confidence.**
